Summary

Third-year Computer Science and Engineering student with a passion for web development. focusing on expanding my knowledge base and gaining deeper insights into various subjects. Actively seeking internship opportunities to apply and expand my skills in creating intuitive web solutions.

Experience

Internship Studio

Web Development Intern

June 2024 - August 2024 (3 months)

Pune, Maharashtra, India

As a Web Development Intern, I gained hands-on experience in HTML, CSS, JavaScript, and modern frameworks like React. I learned about responsive design, debugging techniques, and collaborating in agile teams. My role focused on deepening my understanding of web technologies, development workflows, and best practices through mentorship and practical tasks.
